It Didn’t Become Anything

It didn’t become anything.

You didn’t figure it out.

Didn’t name it.
Didn’t place it.

It didn’t turn into
something else.

It didn’t need to.

You kept looking
for what it meant.

But it wasn’t becoming.

It wasn’t leading
anywhere.

It was already
complete
as it was.

Nothing was missing from it.
